Hi Matt,

Attached is my tentative schedule. Your case would take precedence over District Court Cases so no problem.

Jim,

I have a trial scheduled for May 2 in Hampden Superior. NO. A11-00291 – 360.81 grams of cocaine.

We have not been assigned a judge  
We do not expect to start on May 2.  
Less than 50% chance it will plea – but still a chance.

Any scheduling problems from May 3 – 25 that I should know about? If it goes to trial I will accommodate your schedule and take you out of order if necessary.

Thanks,  
Matt
